How this works in practice

Tradespace handles provisionals, design patents, continuation filings, and straightforward utility applications through AI-assisted drafting and our 250+ vetted attorney network — all at flat fees. Your current outside patent counsel stays on the docket for contested prosecution, IPR/PTAB, cross-border strategy, and the matters that need senior partner relationships.

The result: the same outside counsel coverage on complex work, plus 50% of your engineering, computer science, and applied science research filings handled faster and at a fraction of the cost — freeing budget and bandwidth for the strategy decisions that actually move the needle.

Assumptions: Tradespace flat fees — \$1,000/provisional, \$5,000/non-provisional, \$1,000/office action. Baseline OA cost \$3,000 each; 2 OAs modeled per non-provisional. Filing volume based on estimated portfolio activity for AUC. Figures are directional estimates for planning purposes.
